Receiving Out-of-Network Benefits

While we highly recommend visiting our in-network providers for your vision care needs, we realize that circumstances may require visiting a doctor who is not part of our network. For those times, please use the following instructions to receive your Optilegra benefits.

Note that the Optilegra **20% Discount** and Optilegra **LASIK Discount** plans do not have an out-of-network benefit.

Directions for Out-of-Network Claims

After visiting your eyecare clinic, you must pay them in full for the services and materials. Then simply fill out the following claim form and submit it, along with a copy of your receipt, to one of the following:

Optilegra
PO Box 91437
Sioux Falls, SD 57109

admin@optilegra.com

Once we've received your claim, reimbursement will be sent to you within 45 days. This reimbursement will be issued directly from Optilegra. Please note that claims that are not submitted within 45 days of the date of service may be denied.

Optilegra will pay for the services and materials reported up to the annual out-of-network allowance for the member reporting the services. Costs beyond this allowance are the responsibility of the member. Benefits renew one (or two) years from the time they are used. **Out-of-Network benefits are not available for members with a 20% Discount or LASIK Discount plan.**

Note that your materials benefit can be used toward either glasses or contacts, but not both.
